

```
/home/osboxes/cosmos  
/source/projects/cubesat  
-kit/include/device/BeagleBonePins.h
```

The diagram illustrates the dependencies of the file `/home/osboxes/cosmos/source/projects/cubesat-kit/include/device/BeagleBonePins.h`. Two blue arrows point from the bottom of the top box to the boxes labeled `cstdio` and `string`, indicating that the header file includes these standard C libraries.

`cstdio`

`string`
